

TOWARDS DIGITALIZED MANUFACTURING 4.0

Committees

Chair: Prof. Dimitris Mourtzis
Honorary Chair: Prof. George Chryssolouris
Co-Chair: Dr. Sotiris Makris
Asst. Prof. Panos Stavropoulos
Dr. Kosmas Alexopoulos

Conference Scope

Manufacturing is rapidly becoming internationally interlinked – Automation and smart systems revolutionize the factory shop-floor, and horizontal and vertical integration via digital means are key features for sustainability.

Venue

The conference will be held in Athens, Greece, at the resort area of Athenian Riviera, Vouliagmeni, located 24 Km from AIA and 20 Km from Athens city center.
